

Afternoon Enrichment Program Registration 2020-2021

What is the Afternoon Enrichment Program (AEP)?

AEP is an additional learning opportunity for your child to extend their school day at Christ Church Day School. After lunch, students are required to have a brief rest time (mats provided by family), and then the fun begins!

Who can attend AEP?

Children enrolled in our Primary Classes are eligible to register for these wildly fun and educational programs!

What is the schedule of AEP?

Afternoon Enrichment will begin on **Tuesday, September 15, 2020**; 12:30- 2:00 pm. If CCDS is not in session, there is no AEP. Please also note: **We require a minimum of 4 children per session for AEP to take place.**

What will my child be doing?

The programs and subjects of studies are an extension of the school day and will include Science, Literature, and Creative Arts. **Students bring lunch from home.**

What is the AEP tuition?

The AEP program is **\$600/session/year**. See below.

Because some children may not be ready for an extended day, it is strongly encouraged you discuss with your teacher any questions or concerns about your child's participation.
